## PRIVACY POLICY

The personal data of those registered in the Sofidel Running Team portal ([www.sofidelrunningteam.com](http://www.sofidelrunningteam.com)) are processed in accordance with the provisions of law. Personal data are collected at the time of the registration, in printed or electronic form, and are supplied directly by the interested party. Failure to submit personal data implies the impossibility to accept the registration itself. The data are processed in hard and electronic form by Sofidel S.p.A., the Data Controller, with its registered office in Via Giuseppe Lazzareschi No. 23, 55016, Porcari Lucca, for all the requirements connected to the organization of sports events and in order to provide users with information on the participants and allow for the organization of activities. The same data may be disclosed to employees, collaborators, companies and/or subsidiaries involved in the organization of events and to consultants of Sofidel S.p.A. or companies forming part of the Sofidel Group for which the Data Controller is the holding company, for the above purposes. The registered subjects are called upon to expressly provide their consent for the treatment of any sensitive data contained within this personal data. The communication, dissemination and transmission of such sensitive data is not envisaged. The data will be stored for at least six months and regardless for the entire period in which Sofidel S.p.A. maintains the portal active. The complete removal of the data collected by Sofidel S.p.A. can be requested by sending an email to the Data Processor at: [viviane.gueli@sofidel.com](mailto:viviane.gueli@sofidel.com).

## AUTHORIZATION TO THE PROCESSING OF PERSONAL DATA

The Participant authorizes the processing of his personal data for purposes related to the organization of sporting activities and for any publication of the results of competitions, as well as the names of the participants in any organized events. The Participant expresses his consent to the data processing specified in the privacy policy, authorizing the sending of information relating to subsequent events or various initiatives proposed by the organizers, and authorizes any photography or filming for the creation of videos, notices, printed and online publications (including downloads).
